

# Court Gives IRS Control Over Churches

Supreme Court Ruling Against Bob Jones University A Blow To Freedom

The Thunderbolt has closely followed rulings of the Supreme Court in recent years. Every single political ruling has been against the interests of White people and for the colored minorities. They have voted against freedom and for federal tyranny. In recent months the Supreme Court has ruled that forced busing must be continued even if the government finds it unnecessary and state laws controlling abortion clinics have been knocked down. The Communist Party and Trotsky Socialist Workers Party do not have to reveal names of their contributors in political elections. Members of the press must turn over all their notes when subpoenaed in court cases which is a clear violation of the Constitutional guarantee of Freedom of The Press.

## Terrible Power to IRS

The Internal Revenue Service now has new powers never delegated to it by Congress. The ruling against Bob Jones clears the way for the IRS so:

\*The IRS can reinstate its policy under Pres. Carter to deny tax exemption to private schools which fail to enroll enough blacks to meet arbitrary quotas.

\*First Amendment freedom for all religious groups has been restricted.

\*Tax exemptions for all charitable organizations connected to churches can now be denied, such as hospitals, missionaries, youth groups, shelters for the homeless, schools and other charities.

Bob Jones III on left with his father, Bob Jones, Jr. Both attacked Supreme Court's denial of freedom.

## Bob Jones Blasts Supreme Court

The Bob Jones University will now lose up to \$750,000 a year in formerly tax exempt donations and over \$1 million in back taxes. Bob Jones III told reporters in Greenville, S.C. that he was not surprised:

*"This is the same court that has decided to murder innocent babies and take prayer — the word of God — out of our public schools. I think God has made a statement to America today by what is happening, and I hope America is listening. And if she is, she will have to conclude that there's not too much difference in us any more and Russia, because Russia did this to religion a long time ago."*

Earlier in the day, while speaking to the student body in the chapel, Bob Jones III said: *"I have pity for the heathens who sit on the Supreme Court, pity for their damned souls and their blighted minds."*

His father, Bob Jones, Jr., said: *"This is the end of liberty in America. We're in a bad fix in America when seven evil old men and one vain and foolish woman can speak a verdict destroying our American liberties."*

## Justice Rehnquist Dissenting Opinion

The vote against Bob Jones University and the Goldsboro, N.C. Christian School was eight to one to deny their tax exempt status. Bob Jones University has colored students but forbids interracial dating and mixed marriage. The Goldsboro school is for White children only based on their interpretation of the Holy Bible. Those ruling against the schools were Justices Brennan, Thurgood Marshall, White, Blackmun, Stevens, Powell and Mrs. O'Connor.

## Israel Aid Cost U.S. \$24 Billion

By James McCartney  
Knight-Ridder Newspapers

WASHINGTON — Official American aid to Israel through 1982 has totaled more than \$24 billion, a figure substantially larger than previous public estimates by the government, according to the secret draft report of a study by the General Accounting Office.

The GAO report also describes a number of previously undisclosed special favors by American administrations to Israel that go far beyond those extended by the United States to any other country.

According to the study, these favors have ranged from exempting the Israelis from normal requirements to report how U.S. money has been spent to outright gifts of millions of dollars worth of American equipment — in one instance valued at \$172 million.

The report also discloses that the United States has granted far more favorable terms for repaying loans than other countries enjoy, a persistent winking at enforcement of U.S. laws where Israel is involved, and a pattern of allowing Israeli freedom of action, even when Israeli actions have contradicted stated U.S. policies.

The \$24 billion in military and economic aid from the time of Israel's birth in 1948 through 1982, if added to sums approved by Congress through fiscal 1984, brings the total thus far committed to Israel to about \$29 billion — a little more than \$7,000 for every living Israeli.

Previously, the highest estimates of combined economic and military aid by members of Congress familiar with the program have been in the \$20 billion range.

The GAO, a congressional watchdog agency set up to audit the executive branch, has access to highly classified government documents. It began the study of aid to Israel more than a year ago without public announcement and without an official congressional sponsor.

The study and its subsequent report have become a hot political potato. Most of the GAO's work was completed several months ago, but publication has been delayed because, according to GAO officials, the State Department wants to classify major portions.

Some State Department officials reportedly do not want any of the report published.

A decision was made recently, however, to publish a censored version, but not

until next month.

Knight-Ridder Newspapers has obtained a copy of all but six pages of the GAO's uncensored version of 115 pages as it was sent to Secretary of State George Shultz, requesting his comments. The six pages that were deleted from the copy of the report dealt with a highly classified comparison of relative Arab-Israeli military strengths, one source said.

The words "SECRET" and "No foreign dissemination" were stamped on each page of the GAO's draft report.

The report contains many revelations of intimate details of U.S.-Israeli relations not previously published. Among them:

■ Israel last summer broke "assurances to the United States that it would not invade Beirut, Lebanon."

■ Israeli officials "believe that another war with Arab countries is likely."

■ The United States secretly agreed with Israel, in connection with the withdrawal of Israeli troops from the Sinai desert in 1982, that it would consider intervention if Israel was threatened. It agreed to consider "strengthening of the U.S. presence" in the area as well as providing emergency supplies to Israel.

■ Pentagon officials believe that Israel has "overemphasized" the military threat from Arab countries, and has been asking the United States for more military aid than it actually needs.

■ The Central Intelligence Agency reports that "Israeli expectations" are that the United States will pay "half of its defense budget."

■ "Political influences," as well as real military needs, play an important role in decisions about the level of military aid to Israel, and final decisions are made at the "highest levels," meaning by the president personally.

■ The CIA fears that the growing military capabilities of such moderate Arab states as Saudi Arabia and Jordan may so concern and worry the Israelis that they may increasingly resort to pre-emptive attacks in future crises.

■ The CIA believes that Israel's "qualitative edge" in military capabilities may "begin to narrow" toward the end of the 1980s, as Arabs improve their military capabilities.

■ Israel is "likely to intensify" its requests for economic aid from the United States in the immediate future because of severe internal economic problems. It may also seek better loan terms, and to reschedule its debt, actions that would in-

## Jews Support Supreme Court Decision

**Jewish Leaders Hail Anti-Christian Ruling**  
The Supreme Court ruling against Christian private schools in denying them tax exempt status was hailed by black and Jewish leaders. Ironically the law will not apply to the strictly private all-Jewish Day Schools and Black Muslim schools because of the "public policy" of the government granting special privileges to minorities while relegating the White majority to second class citizenship.

Jack Greenberg, head of the NAACP Legal Fund, said: "Pres. Reagan should begin a vigorous effort to identify private schools which are discriminating and to suspend their tax

status."

Ellen Goodman, Jewish syndicated columnist for the Boston Globe, "Bob Jones III didn't exactly turn the other cheek to the U. S. Supreme Court. In calling them 'evil old men' he didn't enhance his own reputation for tolerance."

"Communist Daily World" of May 25 headlines: "Racist Private School

Loses Tax Exemption." It stated that Bob Jones' school: "represents a badge of slavery to Afro-Americans. They should be punished by abolishing their tax breaks as they are contrary to public policy."

Art Buchwald, Jewish writer, "Maybe it takes a fundamentalist preacher to be able to see evil in someone's soul, especially when he loses a big case to the Supreme Court. I don't want Jones to discriminate with my money."

The New York Times (owned by the Jew Sulzberger family) expressed hate in their May 25 headline: "Tax-Exempt Hate, Undone. Racial hatred is not tax-exempt, the Supreme Court ruled yesterday by a lopsided vote . . . The Court now explains what Congress has already given the IRS — in laws passed over 90 years and reaffirmed twice since 1976." (Note: This is a total LIE!! Congress has passed no law giving the IRS such powers.)

Anthony Lewis, Jewish columnist on May 25: "The real reason for the switch (Reagan first approved tax exemption for Bob Jones then totally reversed his position after an outcry from minority pressure groups.) Sen. Strom Thurmond of S.C., chairman of the Senate Judiciary Committee, is a

Thomas Dine heads Jewish Lobby (AIPAC) which is nationwide subversive organization.

trustee of Bob Jones University, and had pressed for the tax exemption; so had Rep. Trent Lott of Mississippi."

Northern Minister for Bob Jones University Oak Forest, Illinois Baptist Church, headed by Rev. William F. Schroeder, said: "The tax denial of tax-exempt status to Bob Jones University because it will not allow interracial dating is the first step toward our country no longer being the land of the free. The Court has given the IRS an open season on any religious body that has a religious conviction that would violate 'public policy.' I wonder if it would mean that if churches refuse to ordain homosexuals as ministers they, too, could lose their tax exemptions? A Pandora's box has been opened by this infamous Supreme Court decision."

### U. S. Aid to Israel —

(Continued from Page 1)

crease the cost of Israeli support to U.S. taxpayers.

Although Israeli officials insist they have not asked the United States to help finance the Israeli invasion of Lebanon, the report suggests otherwise. It states flatly that "increased aid and better terms requested by Israel in its current aid submission (program) include compensation for its losses during the Lebanon campaign."

In addition, the GAO report raises several basic questions about the impact of the huge Israeli aid program which, it suggests, ought to be carefully considered by policymakers and lawmakers.

Among the questions:

Are U.S. policies in the Middle East contributing to an upward spiraling arms race that, in effect, may make the region more dangerous? U.S. arms sales to Arab countries, the report notes, lead to more Israeli requests and "this contributes to a spiraling arms transfer effect."

Are special programs for Israel creating precedents that lead other countries to ask for similar programs which, in the long run, will become major new burdens on taxpayers? The report notes that Israel has been permitted to write off substantial portions of its loans in recent years, and that now other countries — Egypt and the Sudan, for example — have demanded, and received similar treatment.

Can certain kinds of help for Israel damage the U.S. economy? The report says some military technology supplied Israel "could adversely impact on the U.S. economy" by cutting into U.S. export markets.

### Kennedy Cocaine Scandal Suppressed By Daily Press

The Washington Post is owned by the Jew Meyer family and along with most other daily newspapers suppressed the Jack Anderson column of April 27. It reported the House Ethics Committee was investigating charges by three informers and ringleaders of a multi-million dollar cocaine operation on Capitol Hill that they had regular dealings with nine Congressmen including Sen. Ted Kennedy and his daughter Kara. Thus far only negro Rep. Ronald Dellums of Calif. has been charged in the case.

Others named as drug users were Rep. Gerry Studds (Mass.), Rep. Charles Wilson (Texas), Rep. Parren Mitchell (Md.), and former Representatives Barry Goldwater, Jr. (Calif.), John Burton (Calif.), Lionel Van Deerling, (Calif.), and convicted New York homosexual briber Jew Fred Richmond. One extremely damaging piece of evidence is that Kara Kennedy allegedly paid for her cocaine with a check now in the possession of the police. Kennedy's office said the charges were "unfair" but the Senator will not comment himself. Observers say this is yet another reason why Kennedy pledged, "I will not seek the office of President in 1984!" He might as well make the same pledge for 1988 etc. Teddy Kennedy is the most degenerate Senator ever to hold office in Washington — bar none!

### IRS Controls Churches —

(Continued from Page 1)

nor. Chief Justice Burger wrote the opinion based solely on what he declared to be the "national public policy" of racial integration! But, just who made this policy? It is for the court itself and the media! Burger wrote that "for the first 165 years of this nation's history, racial discrimination (segregation) prevailed with official approval. Racially segregated institutions are against public policy. But, over the past 25 years every pronouncement of this Court, acts of Congress and the Executive Branch have prohibited racial segregation and discrimination in public education."

Justice Rehnquist dissented, declaring: "The Court points out that there is a strong national policy in this country against racial discrimination . . . But, unlike the court I am convinced that Congress simply has failed to take this action and, as this Court has said over and over again, regardless of our view on the propriety of Congress's failure to legislate we are not constitutionally empowered to act for them . . . Whatever the reasons for the failure (of Congress) this Court should not legislate for Congress."

### All-Black and All-Jewish Schools Not Affected

What Rehnquist stated is that Congress has passed no laws giving the IRS the power to determine which schools or other institutions are "discriminating." There is not one single sentence in the IRS tax code granting them the power to take racial discrimination into account in determining which institutions are to be denied tax exemption benefits. There are many Jewish Day schools and Black Muslim schools which are totally segregated. They do not allow White Christians to enroll but they will never lose their tax exempt status because the IRS will never challenge their discriminatory policy.

There are 175 taxpayer-supported lawyers in the Civil Rights Division of the Justice Dept. under William Bradford Reynolds. A large number of them are Jews! Some 100 of them petitioned the court to rule against the White Christian schools. The New York Times reported "a backslapping celebration" in the Justice Dept. as the news of the Supreme Court's ruling against the rights of White people in the Bob Jones case was announced.

Interracial dating and mixed marriage has been officially made "public policy" by the Marxists on the high court. Many of these schools have now been financially crippled permanently and the race-mixers in the Justice Dept. couldn't be happier.

Now the IRS will determine the official interpretation of the Holy Bible as we move under a state-regulated religion. Judge-made law says that Christian churches which preach Segregation of the Races from the Holy Scripture do not conform with this new "national public policy." They now will feel the wrath of the Internal Revenue Service. Bob Jones was right when he told the federal government to go to the devil. What we have in Washington is a powerful entrenched Marxist establishment which in a "search and destroy mission" against any harmless pocket of resistance to the "public policy." They wish to make the way easier for the coming communist enslavement of the American people. White people awaken and unite — Join with us to take back our nation while there is yet still time!!!

The report also suggests strongly that American administrations of both political parties have, in effect, winked at any attempt at real enforcement of the Arms Export Control Act and of a 1952 agreement with Israel. Both provide that defense articles and services sold to Israel may be used only for defensive purposes.

It points out that presidents have reported to Congress at least four times that violations "may" have occurred. But neither the executive branch nor Congress has ever determined that Israel was in substantial violation by using weapons for unauthorized purposes. The report suggests that the law is so weak and poorly worded that it provides an easy out for presidents to avoid any real effort at enforcement.

The report concluded, after citing examples of instances in which action might have been considered: "A definitive determination of a violation would" result in imposing sanctions on Israel. "The sanctions," it said, "would cut off U.S. assistance and arms sales, as was the case during the previous embargo for Turkey over the Cyprus affair. However, taking such a step in Israel's case is something that administration officials and the Congress have been reluctant to do."

"They have pointed out that such extreme measures could cause a crisis in the relationship between the two countries. The State Department has informed us that, as a general rule, it does not believe that such sanctions or restrictions are effective mechanisms for achieving peace in the Middle East."

# Taxpayer Money Teaches Sexual Perversion

San Francisco Aids Queers, On S&M. Sado-Masochism training workshops have been set up by the San Francisco Coroner's Office under the orders of Mayor Diane Feinstein (Jew). Police report that 10% of their murders are committed by homosexuals while practicing S&M. It seems they receive sexual gratification from torturing one another while practicing bizarre forms of sexual perversion.

Dr. Richard Hamilton who practices "gay medicine" counsels on ways to minimize S&M violence with "Light torture." He says often homosexuals are on hallucinogenic drugs, barbiturates, alcohol, cocaine, heroin and marijuana. "Thus the dominant sado-masochist and his submissive partner are unaware and lose control on the amount of pain they inflict on one another. They often maim or kill their subject."

Coroner Boyd Stephens admits that this "is a very delicate matter" because many of the S&M practices may well be in violation of the law. Stephens says that officers have distributed fliers announcing the taxpayer financed S&M workshops in some 30 bars and bath houses frequented by sado-masochists.

**Let Queers Torture Each Other**  
The teaching of "light S & M" to prevent homos from cutting off blood circulation and inflicting serious bodily harm or death to each other is of no concern to White Christians. The problem here is that homos are now attacking innocent youths and inflicting such tortures on them before killing the victim.

It is of great significance that ALL OF THIS NATION'S MASS MURDERS IN RECENT YEARS HAVE BEEN COMMITTED BY HOMOSEXUALS!

John Wayne Gacy in Chicago killed at least 25 young boys after raping them and slowly strangling them. William Bonin the notorious Los Angeles Freeway killer with three homosexual accomplices murdered some 45 young boys between 1972 and 1980. He would sodomize them, force ice picks and tire irons into their bodies and then strangle them with their own T-shirts. Bonin has been sentenced to die in the gas chamber. Wayne Williams the black homosexual killer in Atlanta picked up many of his victims with the promise of money for sexual acts. The Houston, Texas homosexual killer who buried the bodies of over 30 victims under his boat house tortured his victims to death.

Thus our concern is that the City of San Francisco is recognizing and thus "legalizing" such S & M practices by setting up courses to teach queers how to commit such abominations without killing one another! THIS IS AN OUTRAGE BECAUSE THE

**GAY PRIDE:** About 2,000 of Atlanta's gay community march up Peachtree Street in 8th annual parade.

Parade was down from 4,000 marchers last year. The AIDS carriers still demand acceptance from the normal community.

## Jews Warned On Homos

### Jew Homo Leaders In New York

"Jewish Press" is the weekly voice of Orthodox Jews in New York City. They oppose the large numbers of Jews who support legalized homosexuality. The following interesting article appeared in their Jan. 28 issue:

"Tragically many leaders of the gay movement in New York City are Jews. They are not ashamed of their homosexuality. Jewish City Council members Dryfoos and Greitzer are sponsors of the Gay Rights Bill. On Dec. 9, some 100 Jewish Hasidim dressed in all black entered the Council Chambers to oppose the bill. All were descendants of Holocaust victims. In reaction the Jewish homosexuals jumped to their feet and flashed the Nazi salute and chanted 'Heil Hitler' at the Orthodox Jews. It seemed as if the world had suddenly been knocked off its axis and was speeding dizzily out of control."

"To pile abomination upon abomination there is a New York City Gay Synagogue. Yes, a house of Jewish worship whose members are avowed gays, who practice male-male 'marriages' which civil law does not recognize. Their literature overtly seeks to seduce Jewish teenage boys into sodomy. Since homosexuals do not reproduce, they clearly must seduce. Their filthy propaganda has already reach-

PRACTITIONERS SHOULD BE ARRESTED AND PUT AWAY SO THAT THEY CANNOT ENDANGER INNOCENT PEOPLE! SUCH PRACTICES CANNOT BE TOLERATED BY ANY CIVILIZED SOCIETY.

ed into prominent synagogues where both pro and con viewpoints are debated. Their attitude toward the children they seduce was emphasized by a young Jewish teacher in a Catholic parochial school who spoke of the problem of spreading the deadly incurable AIDS disease to their contacts. He said, "None of the precious brats I teach have come down with the disease you describe."

While Jews debate the homosexual problem in their synagogue White Christians should not be so tolerant. Moves by the Methodist and Presbyterian churches ordaining self-confessed homosexuals as ministers is anti Christian. Read your Bible — it actually says that homos should be stoned to death! Tell that to any liberal who spouts off about so-called "gay rights!"

### Homo Blood Donors Banned

The U. S. Public Health Service has asked that homosexuals not be allowed to donate blood. This is due to the deadly AIDS disease which has killed over 450 people in the last two years. The disease is incurable and has also killed five hemophiliacs who received blood donations given by "gays." Thus the National Hemophilia Foundation has asked the Red Cross to ban homo donors who often sell their blood to commercial collection centers.

### Miller Beer Supports Homos

Very few large corporations advertise in homosexual publications. Miller's beer is the exception. The June 3rd issue of "The Washington (Gay) Blade"

carries a large ad with four homos drinking Miller's beer. Now, let's see, Budweiser runs "Black History" ads all the time and Schlitz has nearly 50% black employees — that makes Coors beer taste better all the time.

### U. S. Blood

#### Banned in England

Need a blood transfusion? Well, better find a relative or friend to donate their blood for you. British General Secretary of Medical Technicians, Mr. Clive Jenkins, has called for a ban on all blood imports. He said 50% of England's blood plasma is imported from America where negroes, winos and homosexuals sell their blood to commercial blood banks.

England has always relied on imported blood because "we do not have the medical capacity to process all the blood needed," said Jenkins. Thus the National Health

Service has not been very efficient in still another field. As a result, the government is spending \$30 million on a crash program to expand facilities so Britain will be able to process all the blood they need without the danger of importing AIDS contaminated blood from America.

### News From The Homosexual Front

Dallas, Texas Southern Methodist University students presented their elders (who are considering ordaining homosexuals) with a message. SMU student Robert Rios demanded a vote on a resolution calling for the recognition of a campus "Gay and Lesbian Student Organization."

The Young Americans for Freedom circulated a petition against the measure and over 3,000 signed. When the vote came, 300 students in the audience applauded as the Student Senate voted down the resolution 17 to 11.

## BIBLE CONDEMNS HOMOS

### For Churches And Ministers Who Accept Homos

The news media continues to be filled with reports of church denominations debating whether or not to accept homosexuals as ministers, in youth camps, as teachers, etc. This question can easily be answered by the Holy Bible if they would just turn to Romans 1:24-32.

"And so God has given those people over to do the filthy things their hearts desire, and they do shameful things with each other. They exchange the truth about God for a lie; they worship and serve what God has created instead of the Creator himself, who is to be praised forever. Amen."

"Because they do this, God has given them over to shameful passions. Even the

women pervert the natural use of their sex by unnatural acts. In the same way the men give up natural sexual relations with women and burn with passion for each other. Men do shameful things with each other, and as a result they bring upon themselves the punishment they deserve for their wrongdoing."

"... They know that God's law says that people who live in this way deserve death. Yet, not only do they continue to do these very things, but they even approve of others who do them."

(Note: Thus the Bible itself has answered for us the arguments that homos are "normal" people and should be accepted like everyone else in society — GOD SAYS THE ANSWER IS NO!!!

# Gordon Kahl Died Fighting For His Beliefs

Just an average man in life but in death he has emerged a giant of a man!

## We Were Warned

**A Moment In Georgia History!  
Georgia's Founding Fathers  
Sought To Ban Jews**

England founded the colony of Georgia as a haven for insolvent debtors who languished in British prisons and for their families. German Lutheran refugees who were expelled from Salzburg were also permitted to settle in Georgia. The settlement corporation given the responsibility of developing the new colony had as its leading spokesman Captain Thomas Coram. He and others were shocked when the first boatload of Jews from Germany and Poland arrived in Jan., 1733. Another party of Jews arrived July 11, 1733.

Alarmed at this development, Capt. Coram vehemently protested this illegal settlement of Jews, as the sponsoring corporation had not approved of their arrival. On Jan. 17, 1734, the trustees adopted a resolution that, "no Jews should be sent to the colony of Georgia" and they demanded that "all Jews be removed from the colony of Georgia."

Coram called the presence of Jews in the colony a "great evil and their arrivals a pernicious mistake." He warned that if allowed to remain their descendants would pay dearly for this illegal immigration. Unfortunately the Governor of the colony of Georgia, James Oglethorpe, overruled the corporation and allowed the Jews to remain in Savannah where they today own most of the downtown business district. Capt. Thomas Coram resigned from the corporation in protest.

### Who Was Gordon Kahl?

When a man like Gordon Kahl came out of nowhere to make front page headlines and top TV news, it was because he was willing to give his life for his beliefs. Thus it behooves us to study exactly what he did indeed stand for. The media says Gordon Kahl was a tax protestor and belonged to a group called the "Posse Comitatus" (Power to the county). They seek to establish independent "townships" where they can govern their own community.

Not one single article we have read in the press has presented Gordon Kahl's beliefs. Who was this man? Why was he so hated and feared by the federal government? Was he deliberately burned alive to silence him? We will try and answer these important questions in this article and establish the facts which have been SUPPRESSED BY THE DAILY PRESS!

### Gordon Kahl — World War II Hero

Gordon Kahl fought in Burma during W.W. II and was a highly decorated hero receiving the Purple Heart for being wounded fighting the enemy. He returned to the states and became a quiet, peaceful farmer who never had an arrest record of any kind. Friends say Kahl was a deeply religious man devoted to his family and was generous from the heart — he would never refuse aid to those in need — even if he did not know them personally.

Kahl, age 63, became a militant tax protestor and first refused to pay his income taxes in 1969. He was convicted of tax evasion in 1977 and went to prison in 1979. When released he continued his work organizing farmers and others who have been losing their property by having their farms sold by tax courts. In his last written statement given while a fugitive, Gordon Kahl explained his stand:

*"I would have liked nothing other than to be left alone, so I could enjoy life, liberty and the pursuit of happiness, which our forefathers willed to us. This was not to be, after I discovered that our nation had fallen into the hands of an alien people, who are referred to as 'a nation within the other nations' (Jews). As one of our Founding Fathers (Benjamin Franklin) stated, 'They are vampires, and vampires cannot live on vampires — they must live on Christians.'"*

*"Franklin tried to get a provision written into the U.S. Constitution that would have prevented Jews from living inside the United States. He warned his brethren that if this were not done their children would curse them in their graves, and that within 200 years these people (the Jews) would be sitting in their counting houses, rubbing their hands, while our people would be slaving in the fields to support them. This has happened, exactly as (Franklin) predicted."*

*"These enemies of Christ have taken their Jewish 'Communist Manifesto' and incorporated it into the statutory laws of our country and thrown our Constitution and our Christian common law (which is nothing other than the laws of God as set forth in the Scriptures) into the garbage can."*

*"We are a conquered and occupied nation, conquered and occupied by the Jews and their hundreds, or maybe thousands, of front organizations doing their ungodly work."*

*"They have two objectives in their goal of ruling the world: Destroy Christianity and the White Race. Neither can be accomplished by itself. They stand or fall together."*

*"We are engaged in a struggle to the death between the people of the kingdom of God and the kingdom of Satan. It started long ago and is now best described as a struggle between Jacob and Esau... I shall someday see this once-great nation swept clean of Christ's enemies and restored to its former greatness..."*

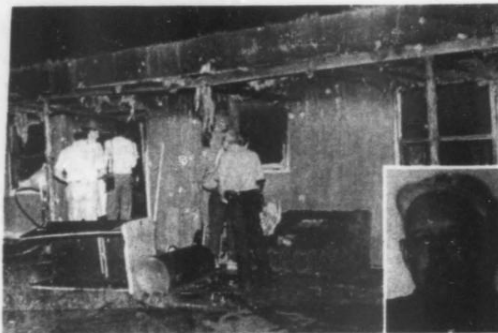

*"Take heart, my fellow Christian Americans. God has said that there will be a great shaking in the land of Israel. That started this event. Let each of you who says that the Lord Jesus Christ is your personal Savior sell his garment and buy a sword, if you don't already have one, and bring His enemies before Him and slay them."*

*"If you've been paying tithes to the synagogue of Satan under the second plank of the 'Communist Manifesto' to finance your own destruction, stop right now and tell Satan's tithing collectors, as I did many years ago, 'Never again will I give aid and comfort to the enemies of Christ.' To those of you who were engaged in the ambush and attack on us and were spared, thank God you have a chance to remove your support from the anti-Christians who rule our nation."*

These were the exact words as written down by Gordon Kahl after the shoot-out in Medina, N.D. and before the final fiery explosion and deadly end in Walnut Ridge, Ark. WHY DID NOT THE MASS MEDIA TELL THE PEOPLE JUST WHAT GORDON KAHL WAS FIGHTING FOR?

### How The Battle Began

Gordon Kahl's wife told *The Spotlight* newspaper in an exclusive interview that, "Gordon is not a murderer, or he

Walnut Ridge, Ark., the last fighting place, where in a hail of bullets and blazing flames Gordon Kahl marched off into history.

would have killed all of them, because he had access to the guns, and they (the U.S. Marshals) had been shot. Gordon had strong convictions and he was such a good person. There was no reason for me not to live with him. He had to do what he had to do. He was a very religious person. He lived his whole life according to what he believed in."

Mrs. Kahl described to *The Spotlight* how that fateful day in Medina began with unmarked cars pulling in front and behind their two cars. She described the marshals as acting like wild men while Gordon Kahl calmly told them, "Put your guns down and we'll talk. But they wouldn't put their guns down. They came barreling in there like a bunch of terrorists. They were in unmarked cars. They weren't identified in any way. They didn't tell us who they were. And they looked like a bunch of hoodlums."

"They had their heads hanging out the windows of that Dodge Ramcharger that the marshal and his deputy from Bismarck were in. One of them hollered, 'You're going to die.' The other one hollered out, 'We're going to blow your G— d— heads off.' We didn't even know who they were."

### Gordon Kahl Defeated Medina Attack Single Handedly

Three car loads of U.S. Marshals were sent to serve a warrant on Gordon Kahl alleging he had violated his parole by making speeches encouraging people not to pay income taxes. Kahl issued a written statement describing the incident in which he says he never fired until after they shot his son. He believed this was a trap set-up to kill him. This is the way Gordon Kahl described the Medina shoot-out:

*"We had just finished our meeting in Medina concerning how we could best implement the proceedings of the third Continental Congress, which was to restore the power and prestige of the U.S. Constitution, up to and including the 10 Articles of the Bill of Rights... I received word we were to be ambushed on our return to our homes... Consequently, I went with Dave Broer. My son Yorie, Scotty Paul and my wife Joan and Vernon Wegner went in our station wagon... As we came over one of the hills I saw two parked cars. We stopped and another vehicle came from behind... The vehicle skidded to a stop about 20 feet away... The doors flew open and two men in the front seat aimed their guns at us... During this time there was a lot of screaming and hollering going on, but nothing else, so it appeared to be an impasse. Then a shot rang out... the man who seemed to be in command yelled: 'Who fired? Who fired?' Then another shot rang out. I heard Yorie cry out: 'I'm hit! I'm hit'... I could tell Yorie was in pain when another shot rang out... he slumped to the ground. I looked back and saw the one on the passenger side aim at me... I felt they were going to kill us all. Before he was able to fire, I loosed a round at the door behind which he was standing... I looked around again toward Yorie and saw Scotty Paul running toward him. I turned in time to see the driver that had followed us rise up and aim his gun at Scotty. I moved my gun over and fired at him before he could shoot. I shot again... several times... my shots causing them to duck. The man on the passenger side fell, and I was able to tell he was out of the fight... Each time they rose up I fired more shots. I ran around the car to get a clear shot at him, at which time I knew he was out of the fight also."*

*"Another man rose to shoot at Scotty. Before he was able to pull the trigger, I fired, and he fell to the ground. At this time the man in front of the green Mercury rose up to aim at Scotty. He saw me swing my gun in his direction, and he ducked down behind the car. I fired striking him and putting him out of the fight. I ran over to the man in the east ditch, thinking he might still be in fighting condition. When I got nearly to him, he raised up his head and said: 'Don't shoot me again, I'm all done!' He had his hand on his shotgun, so I took that and his pistol and threw*

(Continued from Preceding Page)

*them in the back seat of the Mercury. I didn't see the man who had been behind the Mercury, whom I thought I'd hit in the leg, so I didn't know where he'd gone."*

Thus Gordon Kahl had killed two of his attackers, wounded three others and driven two more in full flight into the wooded area. The dead were marshals Kenneth Murie, 53, and Robert Cheshire, Jr., 32. He then calmly drove his family to the local hospital, checked them in, and disappeared!

## The Last Battle

Walnut Ridge, Ark., was the home of Leonard and Norma Ginter, both tax protesters. Dozens of State Police, federal marshals, FBI agents and local Sheriff Gene Matthews, 36, drove up and arrested the couple when they came out of the house. An informer had led the heavily armed caravan to the location. Sheriff Matthews had the reputation as a "bold tough guy" and announced he was going in to get Kahl. The FBI agents remained far to the rear.

Gun shots rang out from within the house. The Sheriff fell out the door and lawmen fired hails of shotgun and rifle fire into the house. Tear gas was fired and an incendiary device dropped down the chimney. The house went up in flames. Later Gordon Kahl's body was found with a bullet in the head. How long he may have lived is not known but many believed he may have been deliberately burned alive because he was a voice which could not be silenced. Sheriff Matthews died hours later despite the fact he wore a bullet-proof vest as he was hit in the side.

The burning of the house where Gordon Kahl lives should be compared with the Memphis, Tenn., case where a negro voodoo cult captured and slowly tortured to death Officer Robert Hester. Police were held back all night as the victim screamed for help. Then they attacked and killed seven cult members.

U.S. Justice Dept. Civil Rights head, William Bradford Reynolds, ordered a full scale FBI investigation to see if the blacks' civil rights had been violated by the use of "excessive force." The team is headed by FBI agent William Beavers, two special investigators from Washington were flown to Memphis to assist in the investigation. WE PROTEST THAT THERE WAS NO INVESTIGATION INTO THE EXCESSIVE FORCE AND BURNING OF GORDON KAHL!

## What Kind Of A Man Would Give Up His Life For His Beliefs?

Whether one agrees or disagrees with Gordon Kahl's vow to "never be taken alive" after the Medina incident, we must ask why he was willing to lay down his life for beliefs he held more solemn than life itself. Few people ever heard of Gordon Kahl before Medina but few will ever forget him now. Kahl was no criminal but a man who believes so strongly that he was willing to fight to the death to awaken the nation to the enslavement we face.

The founding fathers who fought the British were made out of the same fiber that went into the molding of Gordon Kahl. He was one of a kind — the type of man who changes society — the unbending whom the chains of slavery cannot contain — the mover which moves mountains and solves problems. Yes, Gordon Kahl will be long remembered. When White people regain control of their land his name will be emblazoned in history just as was that of Paul Revere who rode through the night shouting the alarm.

## Gordon Kahl's Last Message

Gordon Kahl left these final words for his beloved wife and friends:

*"I, Gordon Kahl, a Christian patriot, in consideration of the events that have taken place . . . and know to what lengths the enemies of Christ (whom I consider my enemies) will go to separate my spirit from its body, wish to put down on paper this record (of events). To my wife Joan, who has been with me for so long, I know this will be a hard and painful experience. However, remember that prophecy will be fulfilled, and you have now been a witness to some of it. Remember that I love you as much today as I did when I first saw you more than 50 years ago. Put your trust in God, and whether I live or die, He will be with you to the end of your days.*

*"To my son Yorie and my dear friend Scotty: You both displayed the qualities of first-rate soldiers of Jesus Christ. May God bless all of you. I must now depart. I have no idea where I'm going. But after some more prayer, I will go where the Lord leads me and either live to carry on the fight or die. If that be the case — and, for the present at least, I bid you all good-bye."*

# Degeneracy Overflows England Into U.S.

## Great Britain Mirror Of USA Tomorrow

England's main export to America seems to be decadent punk rock bands. The latest and worst is "Boy George O'Dowd." He is a homosexual, dresses like a girl and sings like a transvestite. He follows homo David Bowie and similar sick punk groups which have flooded this nation. They come from a nation deeply troubled economically, morally and racially.

An explosion is going to take place in England soon. Just like America the chief issues concerning White workers are jobs and immigration. Britain is flooded with colored immigrants who have taken jobs formerly held by White people. Interracial breeding has produced a sea of mongrels in a nation which was all White as recent as 1950.

## Society Breakdown

Police statistics list 7,000 cases of violent confrontations between Whites and coloreds last year alone. The daily press has played up Margaret Thatcher's "landslide victory" in the recent elections which gave her a lopsided majority in Parliament. This was because of the system of allotting seats because Mrs. Thatcher received only 42% of the total vote. Her so called "Conservative Party" won another five years in office. When they fall it will be in an equally lopsided landslide. Homosexuality, interracial couples, and the social bureaucracy are undermining the nation whose navy once ruled the oceans of the world, whose people founded America, and introduced civilization to the Orient, India, and much of Africa.

## Tax Crush of Socialized Medicine

Britain's tax system is oppressive. Besides a heavy income tax they suffer under the 13% VAT (sales tax). This helps finance socialized industry which loses billions each year along with the monstrous National Health System (NHS). This so called "free" medical care costs British taxpayers \$20 billion a year.

## Inferior Health Service

Still the average patient must wait an average of four years for an operation not deemed an emergency. The single largest employer in all of Europe is the NHS with one million employees to render "health care" to a population of 55 million! Private hospital and

"Boy George" O'Dowd wearing Hebrew robe in outrageous transvestite act our children are viewing on TV.

medical care is available and four million Britains have signed up so that they can have treatment when THEY want it. Some 785,000 other unfortunates are right now on NHS waiting lists to enter a public hospital for treatment — some will never live long enough to be treated. Tax wise the British pay much more for NHS than Americans do for private hospital insurance.

## Sex Perversion In Private Schools

London has been rocked by scandals surrounding homosexuals from the so-called "upper class." Jeremy Thorpe, Liberal Party head, was tried for conspiring to murder his homosexual lover who threatened to blackmail the married member of Parliament. Almost all of the Soviet spies in the Burgess-McLean spy ring were homos recruited by communist Professors at England's exclusive universities.

Culture Club is the name of "Boy George's" band. His recordings are circulated world wide by the Jewish owned Virgin Records company. Boy George wears robes with Hebrew letterings and hair styled like that of negro drug addicts called Rastafarians. He plays "Third World" music, reggae, calypso, funk and disco. The weird Boy George says he wants to bring together "all racial and sexual peoples and minorities."

Thus we see desperate

White working people competing with coloreds for jobs which pay lower and lower wages. Just one % of the population owns 80% of Britain's wealth. How long will it be until America finds itself in this predicament?

Unions are being busted and many super-rich corporation executives would like to have all their employees working for the minimum wage or less! Factories are being closed and moved just across the Mexican border or to Taiwan or Hong Kong where they can pay coolie workers pennies an hour. Illegal aliens flood our nation seeking our jobs and welfare. The U.S. standard of living is rapidly dropping. It is only a question of time before we are reduced to the level of the working people in England. A class separation is developing in America along the lines of England. The Middle class is being wiped out and soon there will be that one % super rich who own everything and White working people who are second class slave citizens. The rich business barons look down their noses at White workers and many had rather hire negroes, Asians, or Hispanics than Whites. They are imbued with self-hate against their own race and believe the propaganda that to make "amends for the sins of their fathers" they must elevate the coloreds over White people. This attitude may yet destroy our entire White society.

## Israel's Top Communist Jew Tours America

Israel's Communist Party Leader Visits U.S.

The Communist Daily World of June 7 announced a speaking tour in the U.S. by the Jew Wolf Ehrlich, head of the "Communist Party of Israel." Please note the reprint on this page where he says the speaking tour is sponsored by "Jewish Affairs" magazine, the official organ of the Jewish Commission of the CPUSA (Communist Party, U.S.A.).

Ehrlich will mainly be addressing Marxist Jewish groups in our major cities and will uphold the Moscow party line in regards to the Middle East. Note that Ehrlich brags they have started a Communist Party for the Arabs and now publish a daily newspaper in Arabic in Palestine. This Jewish Communist Party holds seats in the Israeli Knesset (Parliament) and is an officially recognized political party, according to the Begin government.

### Secret News On Jewish Life In Russia

The Daily Press would have all of believing the "poor Jews" are being persecuted in the Soviet Union. They fail to publish news that can easily be obtained from the Jewish publications on the true story of the privileged situation of Jews in Communist Russia.

### Hundreds of Synagogues In Russia

"Jewish Post and Opinion" of June 8, 1983 quotes the official Kremlin publication, "Soviet Newsweekly," as declaring: "There are 200 synagogues in the country. In the field of education the three million Jews make up 5.2% of the nation's scientists, 6.5% of the journalists, 6.7% of all lawyers, twice as many Jews attend college percentage - wise to Gentiles."

The article also states that Jews won more Lenin prizes in ratio to their population than any other ethnic group in Russia.

### Will Russia Recognize Israel?

When the Jews seized control of the Western part of Palestine from the British and Arabs, Truman beat Stalin by only a few hours in being the first to recognize the Zionist state. In the beginning the communists were the chief suppliers of arms to Israel.

Later they sided with the Arabs when the first Middle East wars broke out. This continued feud between Communist Jews and Zionist Jews is what they

Wolf Ehrlich, head of the Communist Party of Israel.

refer to as "the struggle for the soul of the Jewish people." In each country, the leader of the Jewish community is the wealthiest Jew in the land. Thus Baron Rothschild heads the Jewish community in France, and Harry Oppenheimer, holder of the Gold and Diamond monopoly in South Africa, and Seagrams Liquor owner Edgar Bronfman in Canada. Just before Brezhnev died, Bronfman was scheduled to meet in Moscow to discuss the recognition of Israel by Russia. Bronfman is President of the World Jewish Congress. Dr. Israel Singer says that the plan for recognition is now "continuing through private chats with the Russian ambassador in Washington," according to the "Jewish Post" of Jan. 26.

### America's Leading Rabbi Endorsed Communism

Rabbi Stephen S. Wise has been called the spokesman for Jewry in America during the 1930s. In the year 1933 he made a significant statement which was published in "Jewish Opinion" and here are Rabbi Wise's exact words:

"With the rise of the Soviet regime, the Jews have been granted rights not accorded even in the most advanced countries. The state which previously did not employ any Jews, now employs in White Russia 61 per cent Jewish officials. A Jew is president of the state bank; Jews occupy almost all important ambassadorial positions; universities, professions, judiciary and administration now have a greater percentage than any other nationality. Anti-Semitism has been declared a state offense and is punished as counter-revolution."

## Supreme Court Rules For Reds — Minorities — But Against Whites!

Charges Dismissed Against Fugitive Indian Leader

American Indian Movement leader Dennis Banks was charged with possession of illegal firearms and explosives in 1975 after a shoot-out with U.S. Marshals and 71 day occupation of Wounded Knee, S.D. Banks won his case while still a fugitive from two other 1975 convictions for riot and assault. In other words he won his case even though he is wanted by the law as a fugitive! His lawyer, Jew Kenneth Stern said: "Justice has finally been served because this case is eight years old."

Federal Judge James Redden said Banks was denied his right to a speedy trial under the Sixth Amendment to the Constitution. BUT WHAT ABOUT J. B. STONER WHO WAS TRIED NEARLY 20 YEARS AFTER THE ALLEGED OFFENSE???

The reader who sent us this news story wrote: "If Mr. Stoner had been an Indian, Asian, Negro or Jew — anything but a White Christian his case would have been dismissed." HOW RIGHT YOU ARE!

The J. B. Stoner Case  
J. B. Stoner's appeal to

J. B. STONER

the U.S. Supreme Court concerned the oldest non-capital offense case ever tried in the history of America. The case was nearly 20 years old when he was indicted, and violated his right to a speedy trial, due process and the three year statute of limitations. Still he was convicted in what one renowned university law professor declared "the worst travesty of justice" in memory. This made no difference to the Supreme Court and they unanimously voted not to even hear his case — J. B. STONER WAS DENIED EVEN THE RIGHT TO HAVE HIS DAY IN

COURT! (Note: A new appeal has been filed to reopen the case).

### Supreme Court's Anti-American Orders: Busing Must Continue Despite Damage

Nashville, Tenn. city officials along with both black and White leaders asked the federal court to allow them to cut back on forced school busing. They argued that crosstown busing was driving White families further and further away from the city. The arrogant Supreme Court ordered that the forced busing continue regardless of how much harm it does to the community.

### Supreme Court Rules For Communist Party

The Socialist Workers Party (the Trotsky Communist Party) was given a unanimous ruling by the Supreme Court that they do not have to reveal the names of their campaign contributors. The Ohio law required that a candidate report the names of all who donate over \$25. The court declared that the law could not be applied to the communist party but would apply to all others.

## Blacks Fail To Attend King Confab

M. L. King Rally A Flop

Negro leaders actually want two holidays from Martin Luther King. One on Jan. 15, his birthday, and the other on April 4, the day he died. A large crowd of blacks was expected April 4 at his annual grave site observance. Non-voting Washington, D.C. Congressional Delegate, negro Walter Fauntroy, was flown to Atlanta as special guest speaker. Only about 50 blacks attended and Fauntroy said he was "appalled" at the small turnout.

Fauntroy (whose name means "house boy") stated, "Many young blacks have not learned the importance of Dr. King. It is the job of our public schools to educate them about Martin Luther King." Apparently young blacks are actually not interested in King one way or the other! Another interesting point is that Fauntroy said it was important for black leaders to work toward involving the woman's rights movement, peace anti-nuclear movement and the environmental

Walter Fauntroy, right, places SCLC wreath on King's grave but few bothered to attend ceremony.

protectionist movement into the black civil rights movement. THIS IS EXACTLY

WHAT THE U.S. COMMUNIST PARTY HAS BEEN CALLING FOR!

### New Jersey Governor Receives Holocaust Award

The Israel Government presented N.J. Gov. Thomas Kean with an award for promoting holocaust propaganda. Kean is the first governor in America to appoint a "Holocaust Commission" to promote the six million dead

Jew hoax in the public schools. It is now an established fact that no more than 300,000 Jews died (mostly from disease and age) in concentration camps during World War II. The six million figure is scoffed at by many experts on the subject.

By the Rt. Hon. WINSTON S. CHURCHILL.

And it may well be that this same astounding race may at the present time be in the actual process of producing another system of morals and philosophy, as malevolent as Christianity was benevolent, which, if not arrested, would shatter irrevocably all that Christianity has rendered possible. It would almost seem as if the gospel of Christ and the gospel of Antichrist were destined to originate among the same people; and that this mystic and mysterious race had been chosen for the supreme manifestations, both of the divine and the diabolical.

international Jewry. In addition to all this sphere of Jewish effort rise the schemes of the International Jewry. The adherents of this sinister confederacy are mostly men reared up among the unhappy populations of countries where Jews are persecuted on account of their race. Must, if not all, of them have been divorced from their minds all spiritual hopes of the next world. This movement among the Jews is not new. From the days of Spartacus-Weishaupt to those of Karl Marx, and down to Trotsky (Russia), Bela Kun (Hungary), and the Austrian Nazis, the Jewish world (goldman) (United States), the world-wide conspiracy for the overthrow of civilisation and for the reconstitution of society on the basis of arrested development, of evasive malevolence, and impossible equality, has been steadily growing. It played, as the famous writer, Dr. Webster, has ably shown, a definitely recognisable part in the tragedy of the French

There is no need to exaggerate the part played in the creation of Bolshevism and in the actual bringing about of the Russian Revolution by these international and alien, and most part atheistical Jews. It is certainly a very great one; it probably outweighs all others. With the notable exception of Lenin, the majority of the leading figures are Jews. Moreover, the principal inspiration and driving power comes from the Jewish leaders. Thus Tchitcherine, a pure Russian, is eclipsed by his nominal subordinate Litvinoff, and the influence of Russians

like Bukharin or Lunacharski cannot be compared with the power of Trotsky, or of Zinovieff, the Dictator of the Red Citadel (Petrograd), or of Krassin or Radek—all Jews. In the Soviet institutions the predominance of Jews is even

more astonishing. And the prominent, if not indeed the principal, part in the system of terrorism applied by the Extraordinary Commissions for Combating Counter-Revolution has been taken by Jews, and in some notable cases by Jewesses. The same evil prominence was obtained by Jews in the brief period of terror during which Bela Kun ruled in Hungary. The same phenomenon has been presented in Germany (especially in Bavaria), so far as this madness has been allowed to prey upon the temporary prostration of the German people. Although in all these countries there are many non-Jews every whit as bad as the worst of the Jewish revolutionaries, the part played by the latter in proportion to their numbers in the population is astonishing.

**"Protector of the Jews."**

Needless to say, the most intense passions of revenge have been excited in the breasts of the Russian people. Wherever General Denikin's authority could reach, protection was always accorded to the Jewish population, and strenuous efforts were made by his officers to prevent reprisals and to punish those guilty of them. So much was this the case that the Petlurist propaganda against General Denikin denounced him as the

Protector of the Jews. The Misses Healy, nieces of Mr. Tim Healy, in relation, their personal experience, in Kieff, have declared that to their knowledge on more than one occasion officers who committed offences against Jews were reduced to the ranks and sent out of the city to the front. But the hordes of brigands by whom the whole vast expanse of the Russian Empire is becoming infested do not hesitate to gratify their lust for blood and for revenge at the expense of the innocent Jewish population whenever an opportunity occurs. The brigand Makhno, the hordes of Petlura and of Gregorieff, who signalled their every success by the most brutal massacres, everywhere found among the half-starved, half-infatuated population an eager response to their anti-Semitism in its worst form. The fact that in many cases Jewish interests and Jewish places of worship are excepted by the Bolsheviks from their universal hostility has tended more and more to associate the Jewish race in Russia with the villainies which are now being perpetrated.

### | A Home for the Jews.

Zionism offers the third sphere to the political conceptions of the Jewish race. In violent contrast to international communism,

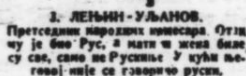

Zionism has already become a factor in the political convulsions of Russia, as a powerful competing influence in Bolshevik circles with the international communistic system. Nothing could be more significant than the fury with which Trotsky has attacked the Zionists generally, and Dr. Weissmann in particular. The cruel penetration of his mind leaves him in no doubt that his schemes of a world-wide communistic State under Jewish domination are directly thwarted and hindered by this new ideal, which directs the energies and the hopes of Jews in every land towards a simpler, a truer, and a far more attainable goal. The struggle which is now beginning between the Zionist and Bolshevik Jews is little less than a struggle for the soul of the Jewish people.

noted that all political parties in Israel are socialist. Even the so-called rightist "Lukid" Party of Begin calls itself a socialist party. The Labor party, which is the opposition, calls itself Marxist with pictures of Karl Marx adorning their office walls. Now we see new moves by both communist Jews and Zionist Jews to heal the rift which has continued since 1920 so that those two countries can once again work together for world government.

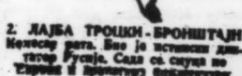

Right after World War II, the United Nations was supposed to be the foundation for a one-world government. This was brought to a halt because of the continuing differences between communism and Zionism. The main fact for one and all to keep in mind is that both of these subversive movements were founded by Jews and are still led by Jews today. Soviet leader Yuri Andropov has been reported by Jewish publications including the "London Jewish Chronicle" as being one-fourth Jewish. The "Times of London" says he is one-half Jewish and both agree that Andropov's wife is a Jewess.

(From original Russian type)

Both the Communists and Zionist movements were founded about the same period in history by Jews. Karl Marx, who was descended from a long line of rabbis, founded communism. Theodore Herzl, also descended from a long line of Rabbis, founded Zionism. For a long time Jews could belong to both the communist and Zionist movement at the same time. Whitaker Chambers, in his famous book, "Witness," states that in the 1920's, Stalin reached the conclusion that Zionism was siphoning away many of the most effective leaders in the communist movement. Thus he forbade any communist Jew from being a member of a Zionist organization.

### Sir Winston Churchill Explains Phenomenon

between communism and Zionism are almost never discussed by the daily press. In fact, Churchill's statement is the clearest discussion of the problem we have ever read. Churchill explains that the founders of international communism were Jews. Most of those

slaughtered were Christians. He makes a point of noting that while most Christian churches were looted and burned the synagogues were preserved and "excepted" from such attacks.

### Trotsky Attacks Zionism

Churchill says that it is very significant that the Jew head of the Red Army at that time, Leon Trotsky, attacked with "fury" Theodore Weissmann, the founder of Zionism. The communist Jews set up the Jewish state of Birobejan in Southeast Russia for Jews who wanted their own nation. Thus in order to spread the Bolshevik worldwide Stalin needed international Jewry on his side.

Down to this very day Communist Jews and Zionist Jews have been fighting "for the soul of the Jewish people." It should be

## Remembering John Bell Williams

A giant among men!

**We Lose Another Great Segregationist Leader**  
Former Governor John Bell Williams of Mississippi is dead. At age 64 he died of a heart attack in his home. Gov. Williams was one of the nation's strongest defenders of the rights of White people to remain segregated from the negro race.

Gov. John Bell Williams was born in Raymond, Miss., Dec. 4, 1918. He was elected to the U.S. House of Representatives in 1946 at age 27 and served there until 1967 when he was elected Governor, defeating the present Governor William Winter who has today utterly disgraced the state with his blatant race-mixing, appointment of blacks to powerful state offices, and supporting the NAACP and Martin Luther King Movement to force the Second Reconstruction on the people of Mississippi.

As a Congressman, John Bell Williams fought against all civil rights bills and defended States Rights. He coined the term, "Black Monday," for the day in 1954 when the Supreme Court despotically ordered integration of public schools. Williams was stripped of his seniority in the House in 1965 for refusing to support Lyndon Johnson for President. He said Johnson's radical civil rights platform would not allow him to endorse such an enemy of the White people. For the same reason, he would not support Adlai Stevenson in 1956 or John F. Kennedy in 1960 or Jimmy Carter in 1976. He referred to Carter as "A man who put aside Jefferson and picked up Karl Marx." As Governor, Williams called

John Bell Williams for the Southern States to pass "acts of nullification" and defy the Supreme Court's race-mixing edicts. He led the establishment of hundreds of private Christian schools for White children.

When stripped of his House seniority, he issued this statement: "I am the object of recrimination at the hands of the liberals in the Democratic Party for having committed the crime of political and intellectual honesty. My head may be bloody, but, believe me, it is unbowed."

A great leader has left us, like Georgia's Gov. Marvin Griffin, Gov. Eugene Talmadge, Sen. Huey Long, Sen. Theodore G. Bilbo and Rep. John Rankin. They will never be forgotten and White youths of this land are at this very moment rising and they will seize the banner of White Supremacy for the preservation of the White Race and march to the inevitable victory!!

**Sen. Specter Helps Patels Stay in U.S.**  
Pennsylvania's Sen. Arlen Specter has introduced special legislation to prevent the deportation of Shailesh Patel, his wife and four children. Patel came here on a student visa but invested \$15,000 in a Sunoco Service Station. The Immigration Service held this was not a "substantial investment" but a lease thereby disallowing him permanent residency.

Sen. Specter introduced a "quickie" bill in Congress to allow Patel to remain here. Specter stated that his parents also came here as immigrants — Jews from Russia. He said it would "be an injustice to deport a man like this back to such a poverty stricken country."

But, what will happen when America becomes a poverty stricken country when people like Specter have allowed all the backward colored Third World peoples to flood here?

### Moderate Negroes Attacked

Black leaders are all supposed to be revolutionaries according to Marxist "scholars" and Jewish book publishing houses. Jesse Jackson, Martin Luther King, Malcom X are supposed to be the type whom the negro community is supposed to look up to as examples toward the constant agitation against White people.

After the Civil War it is a well known fact that most freed slaves returned to the plantations to work for the same Whites. Most black leaders at that time preached they could live with Segregation (separation of the races). Both George Washington Carver and Booker T. Washington upheld the idea that Segregation was best for both races.

"The Wizard of Tuskegee" by Louis Harlan is a new book which viciously attacks Booker T. Washington in an attempt to destroy his image as the "Moses of the black people." In 1881 he helped found Tuskegee Institute in Ala. The famous speech by Washington in 1895 in Atlanta declared blacks can accept Segregation in return

### The Sale of the Chicago Sun-Times

The Israeli Embassy in a statement of Nov. 10 declared that the Chicago Sun-Times was the second most anti-Israel newspaper in the nation. Perhaps this has something to do with the decision of the heirs of founder Marshall Field to sell the popular daily. On July 17, 1982, the newspaper ran a short and simple letter to the editor which threw the Jewish community into a tizzy. And here it is:

"Those who are shocked by Israel's tactics in Lebanon should consult Shakespeare. He correctly described their racial traits nearly 400 years ago . . . 'Hath not Shylock a Jew's eye? If you prick us do we not bleed? The villainy you teach me I will execute, and it shall go hard, but I will better the instruction.'"

Jews scream about "PLO terrorists" but they have become the greatest terrorists of all time! Jewish leader Begin preaches hate, vengeance, and never again, — Christians preach love, peace and forgiveness. With such a great difference in belief how can anyone support the state of Israel?

## Negro "Segregationists" Smeared

Booker T. Washington believed separation of the races best for both.

for racial peace and material prosperity. This was hailed at the time as a great accommodation between Whites and blacks.

At the Tuskegee Institute, Washington and Carver taught blacks how to earn a living through trade skills, farming, bricklaying, etc. Washington said that the virtues of self-discipline, cleanliness and hard work would bring progress to the black people. Today black leaders say that more public housing, welfare, etc. and integration is the answer. Washington opposed the communist negro W. E. B. DuBois and other founders of the NAACP.

He charged they would only cause trouble for his people and retard progress. This has proven to be true. Washington was against interracial marriage and declared "miscegenation" would bring about the downfall of both races.

### Photos And The News Vietnam Will Sell G.I. Bodies

Congressman Robert K. Dornan has revealed that after the French were driven out of North Vietnam the communists sold the bodies of dead soldiers left behind direct to the families. Dornan said the Vietnamese have at least 400 bodies of U.S. servicemen in storage. He added, "Sooner or later, they'll negotiate directly with the families one by one. The French families had to pay from \$8,000 to \$50,000 per body and our people can be expected to be asked for more." He added that at a top Pentagon briefing he was told, "Yes, congressman, we left live Americans behind." There are up to 2,500 U.S. GI's listed as missing in Vietnam and many are still believed to be held prisoners — nine years after the war ended.

Harlan's book is being disseminated in black schools throughout America to destroy the reputation of a truly great negro leader. Harlan calls Washington a "cunning autocrat who held back the black protest movement." Thus young blacks are supposed to regard him as a sell-out "Uncle Tom" and another sensible black leader is relegated to obscurity.

Marcus Garvey was without a doubt the greatest American black leader to ever live. He headed the largest negro organization ever to exist in America. Garvey was from Jamaica where a large statue of him exists today. Yet, there is nothing in present-day school history books about Marcus Garvey! The reason is that he was organizing all the blacks in America into a mass movement to return to their homeland in Africa. He wanted to expand the beachhead the 20,000 freed slaves founded in Liberia. All this is suppressed history which The Thunderbolt will study in future issues.

### Would Ban Free Speech

Skokie, Illinois is a majority Jew suburb of Chicago. Jews have taken control of city hall, the police dept., and every sector of the city. They deliberately targeted the city for a vast property takeover and now they own the town. In fact, they brag that over 7,000 of their citizens are so-called "holocaust survivors."

Recently letters were received in Skokie with a rubber stamp slogan on the outside — "No More False Holocaust Propaganda." Jews screamed for the police, local, state and federal to investigate this great crime. The FBI entered the case. Then it all came to a quiet end when postal inspectors declared there was no violation of the law. One Jew commented, "If this occurred in Israel they would get life in prison without parole."

### Democratic Telethon A Flop

The Democratic Party telethon was doomed from the beginning when they chose negroess Leslie Ugams to M.C. the program. They claim 200,000 people phoned in pledges totaling \$18 million. On the average only half the money pledged in such drives is ever paid. Thus the show itself cost \$6 million which will leave only a \$3 million profit.

### Poor Whites Need Help

The U. S. Census Bureau figures that any family of four earning less than \$9,287 a year is below the poverty level. They found that 21.1 million White families are living below this level. This is an increase from 19.7 million last year. Blacks living in poverty were 9.1 million and Hispanics 3.7 million. Still most welfare and poverty aid goes to coloreds! Is it not time our government looked out after the needs of poor Whites who in many cases are unemployed and held back in low paying jobs because they are White? White people need our help and must be placed FIRST.

# Burger King Loses \$10 Million In Boycott

R. J. Reynolds President receives three awards. R. J. Reynolds, chairman, multi-millionaire Hicks B. Waldron, has been given three awards by left-wing negro groups. The Jackie Robinson Foundation (first black baseball player on the Brooklyn Dodger team) of such work.

Hicks B. Waldron, head of R. J. Reynolds, Heublein Liquors and Kentucky Fried Chicken, received award for boosting black employment from negro prize fighter Sugar Ray Leonard.

presented Waldron with the 1983 Robie Award for giving much of Kentucky Fried Chicken profits to negroes. Presenting the award in New York City was retired prize fighter Sugar Ray Leonard. He said Waldron has delivered "a uniquely practical assistance to black economic development."

In Chicago Waldron received the Black Community Conscience Award from the "Blackbook" organization. They work to advance minorities in business by having giant corporations grant negroes sub-contracts whether or not they are qualified. Thus more White firms are cut out

In Hartford, Conn., the Black Business Assn. presented Waldron with the Business Leadership Award, "for Heublein's multifaceted minority promotion programs." Waldron thanked the group stating, "Helping blacks is not only good

for our company but it is also good for the minorities." But what about poor unemployed White people???

Waldron spends more time traveling around picking up awards from organizations dedicated to displacing Whites from the nation's work force than he does trying to run his company! Waldron is one of the super-rich who actually is imbued with self-hatred for his own race. He had rather hire blacks than Whites and is typical of those in his position who look down their noses on White working people.

Boycott their products !!

Rev. Jesse Jackson pays someone to always walk behind him carrying a "Jackson for President" sign over his head.

## Who Owns Boycotted Companies?

The Thunderbolt has been investigating the ownership of the two largest companies which have sold out to Jesse Jackson's blackmail Chicago mob.

Burger King is owned by The Pillsbury Co. J. Jeffrey Campbell has just been promoted its new chairman. Pillsbury manufactures baking powder products and also owns the "Steak and Ale" restaurant chain.

Kentucky Fried Chicken is owned by the Heublein Corp. which also markets Smirnoff Vodka, Black Velvet whisky along with Colony and Inglenook wines. Heublein owns Del Monte canned fruits and vegetables. Now we learn that R. J. Reynolds Tobacco Co. has bought out Heublein and therefore is the new direct owner of Kentucky Fried Chicken.

R. J. Reynolds is the nation's largest cigarette manufacturer of such name brands as Winston, Salem and Camel cigarettes. Reynolds also owns Aminoil USA oil and natural gas and Sea-Land transportation (which lost money last year). The new chairman is Hicks B. Waldron and his address is R. J. Reynolds, P. O. Box 2959, Winston-Salem, N.C. 27102 telephone 919-773-2756.

Boycott all their products and write them you are sick of Kentucky Fried Chicken, Burger King, Coca-Cola and 7-Up.

## Ted Kennedy's Enemies List

The Fund for a Democratic Majority is headed by Sen. Teddy Kennedy. Believe it or not he has the gall to publish a "hit list" of candidates he wants defeated in the 1984 elections. They are Sen. Roger Jepsen, Sen. Jesse Helms, Sen. John Tower and Sen. Gordon Humphrey.

## Coca-Cola Co.

Signed: Aug. 10, 1981  
Goals: Seeks to identify bottling franchises that may be available to financially capable black investors; form 32 black-owned wholesaling operations; establish a \$1.8 million venture capital fund available to black businesses that service beverage industry; increase spending with black-owned agencies and black-owned media; double the deposits maintained with qualified black banks and increase the number of black banking institutions it uses.

Coca-Cola Co.

Atlanta, Ga. 30301  
Phone: 404-896-2121

## Seven-Up Co.

Signed: July 17, 1982  
Goals: Seeks to attain a minimum employment level of 15 percent black, nonwhite and other minorities; increase the dollar level to 15 percent of the business transacted with minority vendors, including spending \$500,000 with black travel agencies and \$5 million with minority insurance carriers; use black banks for payroll services of up to \$3 million annually and give 15 percent of its philanthropic contributions to minority communities.

Burger King Hurting PUSH head Rev. Jesse Jackson had four big companies surrender to his blackmail threat of a black boycott unless they spend millions with artificially created firms. He demands negroes be given thousands of jobs which would otherwise go to qualified White people and give millions of dollars to black civil rights groups!

Therefore White people are boycotting the following companies. The first to cave in to Jackson was Coca-Cola with a \$34 million handout. Second was 7-Up who gave Jesse Jackson's greedy stooges \$61 million, then Kentucky Fried Chicken with \$180 million (Note how the amount increases with each sell-out.) Last was Burger King with a whopping \$460 million (nearly a half billion dollars!)

It should be noted that Burger King's 3,400 restaurants did \$2.8 billion in sales last year. Thus half a billion dollars to Jackson's jerks is a big hunk of Burger King's income. Burger King will be suffering even more when they find how little in return they receive from the 21,000 black employees they have promised to hire. Best news of all is that Burger King chairman J. Jeffrey Campbell reports the company recently lost \$10 million in sales!

They are going to lose a lot more as the word spreads that these companies are against the interests of the White people. They are giving millions to radical civil rights groups which seek to basically change our form of government from constitutional rule to Marxist dictatorial rule. Keep the Boycott going — They are hurting because we have the spotlight on them!

## Keep the Boycott Going

Write these companies and let them know you are joining the White people's boycott of these firms and their connected products which have surrendered to the blackmail of Jesse Jackson. If you live in the city where they are located, phone their public relations office at the number listed on this page and register your objections. Pledge that you will spread the word to others to join the growing boycott until these firms withdraw their illegal agreements with Jackson's PUSH gang.

Write or phone these sell-out firms that we are boycotting them.

## Heublein Inc.'s Kentucky Fried Chicken

Signed: March 16, 1982  
Goals: Seeks to arrange for a \$9.9 million line of credit for black franchisees over the next three years; add 112 minority-owned franchises by the end of 1987; purchase 15 percent, or \$42 million, of its group term life insurance from black-owned insurance agencies; increase its minority banking commitments to at least \$20 million over the next five years.

## Burger King Corp.

Signed: April 18, 1983  
Goals: Seeks to assure that 15 percent of all Burger King restaurants are black-owned or controlled by 1987; add 20 new black franchisees a year; make 15 percent of purchases from black-owned firms; give 15 percent of its legal work to black law firms; allocate 15 percent of its advertising to black advertising firms; give 35 percent of its corporate contributions to minority organizations.

### Gordon Kahl Already A Legend

In Memorial To  
Gordon Kahl  
Editor, The Thunderbolt

Yesterday, June 3, 1983, a very brave and courageous American died in a blazing gun battle in the Arkansas countryside some 20 miles northwest of Walnut Ridge. This was a man who dared, as few do, to challenge them who hold the tyrannical reins on us. This man fought for his family and friends. He fought for his countrymen, you and me. Yet many will ask, "Who was Gordon Kahl?"

Gordon Kahl was a man among men, whose stature dwarfed those around him. Today he is dead; but not really dead. Tomorrow he will still be alive as a legend

in the hearts of his people. May his living spirit kindle such a flame across America that they will never be able to put it out until they are consumed out of the land.

It is typical that the fedrals who hounded and persecuted this man, finally to his death, had to enlist a local Arkansas lawman to pull their 'chestnut' out of the fire. I know the family and friends of Sheriff Matthews lament his passing. Probably a quote from Kipling would be appropriate: "Ours is not to reason why; ours but to do or die."

Gordon Kahl was not a criminal; he was a stirred-up and fiery patriot in the very image of those who have gone on before him but

never could be considered a criminal. Yet they chose to gun him down as they once gunned down John Dillinger. They went in with drawn guns. He had no choice but to die fighting to the end for the principles that we all claim to believe in as set forth in the Declaration of Independence.

I pray that a thousand men; nay, ten thousand times ten thousand men, will rise up across our land in the spirit of Gordon Kahl. Gordon Kahl, patriot, martyr, husband and father, will always be remembered wherever truly free men live!

#### Welcomes Blacks Into Your Neighborhood

Editor, The Thunderbolt

What did you think when Reagan visited a black family frightened by a cross burning on their front lawn in Maryland? Did you wonder if he felt any concern for White families frightened by the crime and destruction that follows this black invasion of White neighborhoods? Then why do you fear even walking down the street to go shopping?

#### Reagan's First Wife A Jewess

Editor,  
The Thunderbolt:

In your last newsletter you wondered why Reagan's son looked like a Jew! In the Western Front Newsletter of April, Vol. 17, No. 207, page 5 it reports Reagan's first wife was a Jewess.

Here is a quote from page 5: Jane Wyman (Sarah Fuls) was Ronald Reagan's first wife. She is a full blooded Jewess. Thus son Ron is a half-Jew.

#### Whites Will Wake Up

Editor,  
The Thunderbolt:

In spite of all of the setbacks that some of us have had to endure in the Movement in the last few years, I am still optimistic about our future. Our time will surely come in due time and we must all just keep on doing the right thing and standing fast, soon the frightened masses of our folk will realize the big lies that the sellout politicians have handed them, and then, we who have never compromised or sold our soul to the enemy will be the ones who will lead our folk up from the ashes of this decaying Jew controlled sick system and out of the fires and rubble.

It is we who will help our folk build a New Order. It is we who are the hope of our people whether or not they realize it at this time or not. They will one day! There has never been a war or a struggle that there has not been any casualties involved, but if our RACE survives it is a small price to pay in comparison. Our race is our nation and not some artificial jew controlled entity which they call "the state," we will win.

Rev. Jerry Falwell  
Answered

Editor,  
The Thunderbolt:

Jerry Falwell misinterprets the Holy Bible when he claims "God blesses those who bless the Jews and curses those who curse the Jews."

The true Biblical response to "I will bless them that bless thee and curse them that curse thee." The ONLY person mentioned in Gen. 12:1-3 is Abram, the father of both Israel AND THE ARABS! Also, that the Jews are not even mentioned in Gen. 12:1-3. Also, that Jesus Christ was the prophesied "seed of Abraham" who was to be a blessing to all nations. Therefore, ANY PERSON OR RACE WHICH CURSES JESUS, WHICH THE JEWS DO, IS ALSO "CURSING ABRAHAM" and therefore God will curse them. The Jews are the people who really come under the curse of Gen. 12:13 because they curse Abraham's seed, Jesus!

#### Supreme Court Tyranny Editor, The Thunderbolt

Beyond my wildest imagination I think our present situation regarding negroes is becoming unbearable. It is perfectly awful here, and I feel we are absolutely under the power of a "Communist Supreme Court." When people are forced to bend to supreme wishes — not allowed to exercise our free will — what is that but communism? They have coddled black birds until it's a pure scandal. Wasn't the law "Equality But Separation." Now they have summarily changed it without a mandate from the people.

#### TV Propaganda

Editor, The Thunderbolt  
Here is another topic to which I wish you and others of influence would address themselves: excessive presentation of blacks on TV. This is true of both advertising and "entertainment," which has a heavy element of propaganda. Blacks are always shown favorably — as good, wise, kind, capable of giving sage advice, etc. This is no doubt true in isolated cases. But blacks compose 50% of the nation's prison population, although a mere 13% (officially) of the general US population. Why should a negro always have to be shown front and center on TV? Whites are fed up.

#### A World Eye Opener

Editor, The Thunderbolt

When I first read 'The Protocols of Zion', fifteen years ago, my entire political thinking changed and I began to view the world events as not mere accidents but actual pre-planned moves by latent forces, leading to the ultimate destruction of the Islamic and Christian Civilizations by the Zionist-Communist atheistic ideology.

The Jewish controlled American media has never reported the fact that billions of dollars, extracted from the American people, are used in the cold-blooded slaughter of thousands of Muslims and Christians in the Middle-East by Israel. The American Government dare not refuse any Israeli demands. The U.S., supposedly the leader of the Free World, is in fact itself, financially and politically chained by the American Jewry. The American society is gradually reaching a state of moral and spiritual bankruptcy which is a direct result of socio-cultural engineering promoted by the Jews under the banner of liberalism.

Your paper is performing an invaluable service to the American people by providing them with basic facts regarding the activities of the Jews. It is time to wake up and fight the enemy within.

I wish you all the success.

#### Stand Up and Speak Out

Editor, The Thunderbolt  
I'm very, very pleased to read "Patriots — take heed of Ed Breeden's decision to 'go public' with our views . . ." It's way past time for White Americans to not only "go public," but to attack the enemy! Why should we be timid about what's right while queers, race-mixers, and Reds parade up and down our streets preaching treason against Christ, our Race, and our nation? If we are to totally defeat them we must be willing to risk all to win this fight.

Also, I'd like to suggest leaving the part about "standing shoulder to shoulder with my brothers and sisters" in the membership application since it speaks of action and struggle, also, comradeship.

## Will The Communists Be Overthrown?

### Dissent Grows Inside Russia

Radio Moscow startled listeners last month when the world-wide short wave network for the first time in history rebelled against the official Communist Party line. Vladimir Danchev, in his mid-30s, is a long time news broadcaster. Many could not believe their ears. Danchev came on the air and stated:

"The population of Afghanistan plays an increasing role in defending the country's territory against Soviet occupiers. Afghan tribal elders say Soviet activities are endangering the security of the population of Afghanistan."

One hour later the exact same news report was broadcast again. During the third hourly summation of the news Danchev came on the air and said: "The Afghan population is playing a greater role in defending the country against bands infiltrated from the Soviet Union. Reports in Kabul say that tribes living in the eastern provinces of Nangarhar and Paktia have joined in the struggle against the Soviet invaders."

During the fourth hour a

Soviet official came on the air and said the previous three news broadcasts were "a personal mistake." Privately an executive of the service called it "sabotage." Now we learn that the courageous Russian, Vladimir Danchev, has been fired and has disappeared. The Russian people are overwhelmingly against this bloody 2½ year war against Afghanistan. Hopefully this is the beginning of an internal revolt against the Communist occupation of Russia itself.

Tom Watson was one of the most famous political leaders in Georgia history. The main statue on the grounds of the Georgia State Capitol is that of Tom Watson. Watson was a world traveler and famous author and he studied the life of the negro in Africa. His prose on this subject is the most revealing and startling we have ever read. An appendix in this book gives the Belgian report on atrocities committed by negroes when they revolted in 1960 and sought to torture and kill all Whites.
